

**R3 Nordic Press Release:  
Next years big Pharma and hospital event In Scandinavia**

R3 Nordic Society of Cleanroom Technology - May 14-15th, 2012 at Crowne Plaza Copenhagen.

The Danish program committee invites you to participate in the annual symposium and exhibition R3 Nordic Society of Cleanroom Technology - May 14-15th, 2012 at Crowne Plaza Copenhagen Towers. Located in the newly build Ørestaden, just 5 minutes drive from Copenhagen Airport. Ørestaden is a brand new architectural part of Copenhagen.

There is today a rapid development within medical- and pharmaceutical companies and new giant Hospitals in this region combining Denmark and southern Sweden. Its epicentre is Copenhagen and surroundings, also known as the "Medicon Valley".

We have put together an interesting program covering one of the most discussed issues in the Clean room industry today: Energy saving technologies within the clean rooms with a specific focus on the pharmaceutical industry and the forthcoming investments in new hospitals. We will also cover current- and future regulations, design, and user ergonomics.

Updated program, prices and abstracts will be available on [www.r3nordic.com](http://www.r3nordic.com)

**Participation:**

Prices for 2 days, including one year R3 Nordic membership: Students: €190

Public (hospitals and universities): €245

All others: €799. One day participation also possible. See homepage for further.

Note: There will be a Early-Bird reduction (Save up to -15%) and Group Registration possibility: Pay for 4 get 1 additional for free.

**Abstracts:**

We welcome your Abstract for the May 2012 Symposium in Copenhagen, preferable made in English.
